

Switch Funds Form

Use this Form to switch (all or part of) your investment between Australian Secure Capital Funds Ltd ("Funds"). Minimum balances are required to keep your investment in a Fund open.

Prior to making a decision to switch (and/or invest in a new Fund / Unit Class), you should consider the Product Disclosure Statement (PDS) and Target Market Determination (TMD) which is available on our website and the specific characteristics and risks of the Fund / Unit Class you are switching to. Switching between Funds may also give rise to tax consequences and it is recommended you check the tax implications with your tax adviser before switching.
